Questionnaire 5 - Your child at 18 months

In this questionnaire we will ask you some questions which you may recognise from previous questionnaires. We do this because we want to continue following your and your child's progress. It will help if you have child's Health card to hand so that you can use the information contained in it.

If you feel that a question is too upsetting or difficult to answer you can skip this question and go on to the next one.

The questionnaire will be processed by a computer. It is therefore important that you following these instructions when completing it:

- Use a blue or black ballpoint pen.
- Put a cross in the box that is most relevant like this: X
- If you put a cross in the wrong box, correct it by filling in the box completely like this:
- Write numbers in the large green boxes.

It is important that you only write in the white area of each box like this:

Number: 1 2 3 4 5 6 7 8 9 0

- Numbered boxes have two or more squares. When you enter a single-digit number, use the square on the right. Example: 5 is entered as follows
- Specific information concerning, for example, medication should be written on the lines provided.
 Write clearly in CAPITAL LETTERS.
- Remember to fill in the date on which you completed the questionnaire

As soon as you have completed this questionnaire, return it to us in the stamped addressed envelope provided.

Specify the day, month and year when the questionnaire EE9 EE10 (write the year in full, e.g. 2005)
